PROFESSIONAL SUMMARY

Recent BS Computer Science graduate with a strong foundation in programming, web development, Artificial Intelligence and Machine Learning. Currently focused on practical Python, backend development and AI application engineering. Fast learner with a problem-solving mindset, seeking an entry-level Software Engineer, Python/Backend, AI Engineer or AI Platform role in Lahore.

EDUCATION

BS Computer Science — COMSATS University Islamabad, Abbottabad Campus | 2022–2026

CGPA: 2.59/4.00 • Relevant study: Artificial Intelligence, Machine Learning, Databases, OOP, Data Structures, Operating Systems, Computer Networks, Web Development and Parallel & Distributed Computing.

FINAL YEAR PROJECT

E-Testing System — Web-based Online Examination & Assessment Platform

A web-based examination platform designed to digitize testing, automate result processing and support controlled online assessments. Project involvement included documentation, requirements and workflow understanding, UI/application-logic understanding, testing and debugging discussions, and planning for an AI-assisted component. Currently strengthening hands-on understanding of the architecture and implementation so I can confidently maintain and extend the system.

TECHNICAL SKILLS

Programming	Python, Java, C/C++, C#
Web	HTML, CSS, JavaScript, basic React
Backend / APIs	REST APIs, HTTP fundamentals, JSON, FastAPI (learning)
AI / ML	AI/ML fundamentals, classification, regression, model evaluation, core ML mathematics
Databases	SQL fundamentals, relational database concepts
Tools	Git/GitHub, Linux fundamentals, AI-assisted development and debugging

CURRENT PRACTICAL FOCUS

- Building Python projects covering functions, data structures, error handling, modules, files/JSON and APIs.
- Progressing toward FastAPI + SQL/PostgreSQL backend applications and LLM/AI integrations.
- Interested in AI agents, RAG, automation, API integrations and production-oriented AI platforms.

STRENGTHS

Logical problem solving • Fast learner • Persistent debugger • Team collaboration • Technical documentation • Adaptable to new technologies

LANGUAGES

English • Urdu • Pashto • German (basic) • Arabic (basic)

AVAILABILITY

Available immediately for full-time onsite roles and internships in Lahore.
